* When selecting the Sweep Option, please be aware that the following circumstances will prevent sufficient funds from being transferred from one account to another account to cover the overdraft, which may result in an overdraft fee or other charges as disclosed in the Bank's schedule of fees.
a) Insufficient funds in the primary account you are sweeping from to cover the overdraft in the sweep to account
b) Uncollected funds in the primary account you are sweeping from to cover the overdraft in the sweep to account
If you select to "Sweep even if partial amount" this will sweep the balance from your primary account to the sweep to account, even if their is not sufficient funds to cover all of your overdraft needs.
Sweep transfers will affect the earning of interest on your primary sweep from account if it is an interest bearing account.
